JULY 2019

## Ukulele Scramble

Don't miss the fun on **Saturday, July 20th from 1:30 PM to 2:30 PM in Logan Auditorium** when the ukulele duo of Robin Hoffman and Richard Perlmutter presents choice tunes freshly scrambled in their act, *The Ukulele Scramble*.

"True to their name, *Ukulele Scramble* play a lot of mashups. When they're not twisting styles from across the decades — and centuries — into knots, they're playing ridiculous segues, and repertoire that was definitely never meant to be played on the uke. When's the last time you heard ukulele versions of classical compositions by Charles Ives or Amy Beach? *Ukulele Scramble* did both, and well!" -- *New York Music Daily*

Both performers have had long careers in the performing arts. Individually they have performed at venues such as the Hollywood Bowl, Metropolitan Opera, Kennedy Center, Grammy Museum and the Dorothy Chandler Pavilion.

## Rolie Polie Guacamole Concert

Join us on **Tuesday, July 16th from 2:30 to 3:30 PM in Logan Auditorium** when *Rolie Polie Guacamole* performs a rollicking concert for children of all ages.

Winner of the prestigious Parents' Choice® and NAPPA Awards, *Rolie Polie Guacamole* has developed a smart, parent-friendly musical style that dresses up original tunes and classic covers with vibrant harmonies. The first 100 people to arrive will be admitted.

Sponsored by the Friends of Thayer Public Library, this program is part of the Children's Summer Reading Program "A Universe of Stories."

## Aquarium Passes for the Summer

Now, for the first time, you can enjoy discounted admission to the New England Aquarium all summer long.

## July Newly Released Movie

This month's movie is **The Public**. Join us on **Wednesday, July 10th at 6:00 PM (please note the earlier time due to Summer Hours) in Logan Auditorium**.

In *The Public* an unusually bitter Arctic blast has made its way to downtown Cincinnati and the front doors of the public library where the action of the film takes place. What begins as an act of civil disobedience becomes a stand off with police and a rush-to-judgment media constantly speculating about what's really happening. This David versus Goliath story tackles some of our nation's most challenging issues, homelessness and mental illness and sets the drama inside one of the last bastions of democracy-in-action: your public library.

Can't make it to the Wednesday night movie? Don't forget that you can see an encore presentation the following day at an afternoon matinee on **Thursday, July 11th at 2:00 PM in Logan Auditorium**.

Intended for adult audiences ~ The first 100 people will be admitted.

Movie license provided by the Friends of Thayer Public Library.

Hammerstone Studios ~ PG-13 ~ 1 hour and 59 minutes
