BLSA Grievance

- Please note that on July 10, 2019 I received a grievance from Braintree Library Staff Association on behalf of its members. The members are stating the Town of Braintree has violated the collective bargaining agreement for with a unilateral change in working conditions regarding the library closing on Friday July 5 and reopening Saturday July 6th. I saw no violation of the contract or agreement, and denied the grievance. Karen Shanley, Jada and I will be meeting with union representatives on Friday Aug 9, 2019.
